HARA'S MISSION

HARA, an affiliate of USRA, was formed as a non-profit organization in 2002 (recognition pending) to foster and promote both recreational and competitive racquetball in Hawaii. More than 100+ members strong, HARA has already sponsored numerous clinics & tournaments, and has garnered financial support from the community for renovations to a number of our older facilities. Now, HARA is proud to present Hawaii's First Annual Women's Pro/Am and U.S. Armed Forces Invitational Racquetball Tournament. HARA's mission is simple, PLAY BALL! We hope you will join us in this endeavor.
